## Letter from our Grand Knight

### Dear Brother Knights,

Brother Knights,  
I hope that you are all enjoying this summer since the weather has been comfortable. Linda & I are leaving for a 12 day trip to the Grand Canyon and places to visit and see around there. I'll give an update next month.

The church had a very successful Treasure fest with the help of our council. There were 35 Knights that helped prepare for 2 months before and during the "fest", for a total of 976 hours. This does not include the help of our family members. They raised over \$41,000 for Divine Savior. Big congratulations to Bob & Gladys Reilly for co-chairing this monstrous project.

September will be busy beginning with a free "jobseekers workshop" on the 1st and 8th from 7-9 pm in the hospitality room.

This workshop will help those, looking for work, prepare their resume', how to be successful during an interview and help their self confidence.

Put this date on your calendar, the 16th we will have a fun time potluck, Bob & Eleanor Peterson are co-chairing. They can use some help with the dinner; call Bob at 988-4710.

On the 18th will be our "Pancake Breakfast and Blood Drive", they also could use some additional help, call Bill Windle at 988-2239 or Doug Copley at 987-0455.

Our General meeting is on the 6th and the officers meeting will be on the 27th.

We can use your help with our membership drive, you might share with someone

**Grand Knight, Tony Aiello**

what we do and how we touch lives and help families.

If you have any thoughts, suggestions or ideas, please call me @ 718-4749 or e-mail me @ tonyilo@att.net.

God Bless you and your families,

Fraternally yours,

**Tony Aiello,  
Grand Knight**

## *Raising Awareness About Life Insurance*

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of the product among the general public. Each year, the Life Insurance Market Research Association puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that 76 percent of people polled did not have a personal financial advisor. Sixty-eight percent of that same survey group said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable.

In other words, a majority of those surveyed were uncomfortable with the economy and

the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional field agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me your field agent, and afterwards, you'll understand that

the only wrong decision was not purchasing sooner to protect your family's future. Please call me at (916) 470-9205 or e-mail me at [tony.magdaleno@kofc.org](mailto:tony.magdaleno@kofc.org)

Fraternally,  
Your Brother and Field Agent,

**Tony Magdaleno**

## Pro-Life News & Activities for September

Some politicians claim that it is not their business to impose their religious beliefs on the rest of America, but these same politicians do not object to enforcing laws against stealing. Ask them why that isn't an imposition on religion, given the fact that the Bible tells us not to steal.

## Reflections from the Chaplain

Dear Knights:

As we ponder the issues of our own state, of our own country and of the world, there is much that needs to be addressed. There is no doubt in my mind that we Catholics have the belief and hope that can make significant and positive changes for all of the issues that roam like elephants (or donkeys for that matter) in our living rooms. It is not appropriate just to watch the elephants/donkeys go about destroying what is so precious to us. It is even less appropriate that we would not hold each other accountable to live out the only belief that can deal with the elephant/donkey, namely, the love of God for us all.

Yes, there are other denominations that have the same or a similar perspective, and it would be well to unite our efforts with theirs, but for now I am talking about us Catholics. It makes no difference what our political allegiances are, what our theory of economics may be or any other ideology that could divide us. Our focus is on the love of God as revealed by Jesus.

Jesus' ministry was a continu-

ation of what the prophets, particularly Isaiah, proclaimed many years ago. The scenario they continued to hold up was that it was the responsibility of everyone to care for the widow and orphan; these people had no one to depend on to meet their needs. They were dependent on charity. Regardless of our views on entitlements, every human being on earth is entitled to live as a child of God who is able to appreciate the honor and goodness they are because they have been created by an all-loving God.

When we consider the number of people who are starving to death, being killed in needless wars, being enslaved for purposes of sex and cheap labor or are living as refugees in places that are not inclined to welcome them, what does the love of God call us to do and to be? While there is not an easy answer to that question, a good start might be in designing ways by which we are so rooted in God's love and so determined to give a community witness of that love, that others will have to take notice and will hopefully be inclined to choose to join in the cause.

Certainly, one of the things we can do is become familiar with the issues and read testimonies

of people who are not able to live as a beloved child of God. Beyond this, we might ponder and pray about how we can insist that the ways of the world will change so that people can live as God has meant us all to live. Am I advocating for anarchy or some kind of revolution? Not at all! What I am inviting us all to consider is how we can, with the largest constituency possible, hold the feet to the fire of those people within both the church as well as society at large, so that they are empowered to fulfill as completely as possible the trust we are asked to give them.

*Fr. Roman Mueller, S.D.S.*

## A Sad Note

We are sorry to report the passing of Vinnie Papa's mother and the grandmother of Dominic Papa.

Our condolences and prayers go out to our Brothers and their family.

When information is avail-

able regarding her funeral, Tony Aielio will send it out.

Keep the Papa's in your prayers,

## ***Knight of the Month***

This Knight is known as a talented artist, who has designed and produced for our council, signs for the "Oktoberfest" as well as many other events. He has helped in other projects that the council has been involved with. He's been a Knight since 1985.

He is a proud father of a son that was recently ordained as a "Deacon", in the area that he and his family reside in. At our last month's meeting, this proud dad, gave us an emotional update of this event.

He recently accepted the new position of "Director of the Vocation committee", and I know that he will good a great job.

It is my pleasure to announce the Knight of the month for July is Bill Amantea.

***Bill Amantea receives his Knight of the Month Award***

## ***Family of the Month***

***Don Rose receives the Family of the Month Award from Grand Knight Tony Aiello***

This couple is passionate in everything they do and what they are asked to do. They are truly a loving couple, that have the heart to support family members as well as those in our community. For years they have attended 9:30 mass with his parents and their granddaughter.

We probably have gotten to know them as "The Security Team", or should I say "Social Security Team", by helping out watching over the Fireworks

site in their RV and making that a camp ground for a week. They also use their talent to watch over the "Treasurefest", by setting up camp in the church parking lot.

They always have a smile, handshake or a hug for everyone and Penny is the "Sergeant" that keeps us all organized and marching forward.

Join me in congratulating Don and Penny Rose as "Family of the Month of July 2011.

## Upcoming Boy Scout Religious Awards

### **AD Altare Dei (to the altar of God) - Oct. 14-16.**

The Council will be providing financial support (\$50 each) for 2 Boy Scouts from Troop 310 of Divine Savior Parish to attend the Ad Altare Dei retreat in Loomis, CA on Oct. 14-16, 2011. A knight from our council will also be providing logistical support as a one of 7-8 counselors for the retreat who guide and assist all

the Scouts in completing the requirements for this religious award.

### **Pope Pius XII Award - Aug - Dec. 2011**

A council member will be facilitating this program in Sacramento working with 8 scouts and devoting at least 90-100 hours of his time on behalf of the KofC in this 4-5 month program. The council is committed to funding (~\$40) part of the retreat that the youth will be attending next month.

**Background :** Pope Pius XII is a vocation-based program designed for high school and college aged youth that is conducted within a group of peers. The program helps

participants in discovering what God is calling them to become. This program is open to both the Boy Scouts and Venture Crew members who are at least 14 years or older. We have 2 groups in Sacramento area that just formed up (one in Elk Grove the other Orangevale/El Dorado Hills). So we have a total of 16 scouts and 4 facilitators working the program in Sacramento area for 2011.

## 501 C (3) Research Committee Update

I spoke with the California State Advocate at the State Convention in San Diego in May 2011. Our State Advocate informed me that we, as a Council, can form a 501 c (3) and even name the Knights of Columbus, our Council name and or our Council number in the 501 c (3) corporation.

I reported the State Advocates opinion back to our Council and a research committee was appointed by the Grand Knight. Based on formation research a motion to form a 501 c (3) was published. During this period of time the committee continued to further research the K of C 501 c (3) policy.

During this research a warning was located from the Texas State Advocate which stated:

"THE LAWS OF THE ORDER, COUNCILS MAY NOT, UNDER ANY CIRCUM-

STANCES INCORPORATE UNDER STATE LAW TO OBTAIN NON-PROFIT 501 C (3) STATUS OR FOR ANY PURPOSE."

In doing further research we discovered that the Wisconsin Knights of Columbus Charities, Inc. has a non-profit 501 c (3) as well as Supreme has incorporated Knights of Columbus Charities, Inc. a 501 c (3) charitable organization.

We found that there seemed to be great conflict on this issue so we attempted to re-contact the California State Advocate. Following a failed attempt to make contact with the State Advocate we decided to contact the Supreme legal office.

Mr. Adrian R. Butler from the Supreme legal office informed us that because our Council is Char-

tered under the Supreme Charter;

"IT IS THE POLICY OF THE KNIGHTS OF COLUMBUS THAT LOCAL COUNCILS AND ASSEMBLIES MAY NOT, UNDER ANY CIRCUMSTANCES, ESTABLISH A TAX-EXEMPT CHARITABLE ORGANIZATION OR CHARITABLE FOUNDATION."

(A copy of the written policy from the supreme legal office can be obtained from me on request).

In the spirit of compliance with the legal opinion of our Supreme legal office I wish to withdraw both of my published motions to form a 501c (3) Charitable foundation.

S.K. William J. Windle, PGK

## *American Wheelchair Mission*

A few years ago, council donated over 45 wheelchairs, mostly from individual member donations.

This year, the council will donate over \$4,000 from the proceeds from the recent golf tournament. This will equal about 27 wheelchairs.

I would like the number to exceed our previously donation level, so am requesting each Knight to consider mak-

ing an individual donation during the Columbian year 2011/21. Checks can be made payable to the American Wheelchair Mission and given to Michael Wagner at any meeting. This is a very worthy cause that delivers mobility to the needy around the world.

For those interested in attending the wheelchair distribution in Mexico City on October 13 – 17 with PGK Bill Windle and myself, there is still time, Call Bill or me for details.

## *Lecturer Message*

As I announced at the July Council Business Meeting all United States military veterans are eligible for a 10% discount at all LOWE'S department stores.

At check out just inform the clerk that you are a military veteran and show any type of proof and you will be given a 10% discount. For proof I have been using a copy of my selective service card but any type of former military identification will work. If you can not locate proof such as suggested you can take your DD

214 to a copy shop and have it shrunk down to a size you can carry in your wallet and Lowe's will honor that for the discount. A veteran's benefits identification card would also be accepted.

On another note to all veterans:

USAA Auto and Homeowners insurance company has changed their eligibility requirements and any military veteran who has received an Honorable Discharge is eligi-

ble for a USAA policy. This is a major change in company qualification which used to be active, retired military or Federal employees and their family members only.

Yours in Christ,

(Bill) William J. Windle,  
Lecturer, PGK
