Letter from our Grand Knight

Brother Knights,

October was a busy month for our council with some outstanding events.

There was a "Chili Cook off" at the maternity home for Pro-Life. Matt Peterson chaired our semi-annual recycle and e-waste event with a group of great "Knights" and we made \$1437.00 for camp recreation.

Youth group participated in a Boys Scout religious award service at Altar Dei retreat in Loomis. Congratulations to those young men. There was also an ongoing soccer challenge that our youths are still competing in, good luck and we'll see you at the finals.

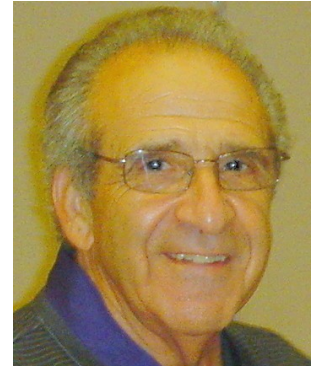

Mike Wagner and Bill Windle traveled to Mexico with the Wheelchair Foundation to give chairs to the many in need of our help. They both had a wonderful and rewarding time. I know we'll hear more about it at our general meeting on Nov 1st.

Dave Brodie and Dan Freeman headed up our annual ID (tootsie roll) drive this past weekend and we made approx. \$800.00. It was a great

effort on their part, even though we were short man power for all the time slots. Next year we will need more of our Brothers to participate in this worthwhile event.

Our Oktoberfest was a fun time, good eating event for all. Allen Brown and his wonderful team did a great job, as they sold 162 tickets and netted \$1600.00 for camp recreation. Doug Copley and the kitchen crew made an outstanding German meal. The Die Alpen Band kept the crowd entertained all night. Congratulations and a great job !!!!

Our membership drive signed up 7 new members. It was a good and productive weekend. My challenge to all, is for each one of us to bring in one new

Grand Knight, Tony Aiello

member.

On a sad note, we lost a long time brother and a PGK as well as a good friend in Joe Paddock. Joe will be missed by all and we pray that the good Lord watches over Elaine and her family.

Also keep in your prayers, Bill Schulte, who recently had a heart attack. And, for Elijah Moore, the 5 year old grandson of Sam Cimino, who was diagnosed with Leukemia. God bless them and their families

It was a fun and productive month as we touched lives and helped families. A big "thank you" to all that helped.

God Bless you and your families,

Tony Aiello, GK

November—LTC Awareness

Common LTC misconceptions

As Baby Boomers have reached retirement years, long-term care (LTC) insurance products have gotten more public attention, but they're still not well understood, especially when it comes to how to pay for care.

For example, many Americans believe that Medicare pays for long-term assistance with the basic activities of daily living — but it doesn't. It applies only to those who have been in the hospital 72 hours and are diagnosed as requiring "skilled care." Medicaid covers care only if and when the person has gone through a "spend down" and has no other means to pay for it. Not a good situation to be in.

Another common issue is that Boomers think they can wait to buy LTC. Unfortunately, this could be a financial devastating choice. What happens if you suddenly become ill or uninsurable before you have made this purchase? Again, not a good situation.

Waiting to buy will also increase the cost of the premiums you pay. Consider this example. If you buy a Knights of Columbus Comprehensive Long-Term Care policy for yourself with a \$200 daily benefit, lifetime benefit duration and 30-day elimination period at age 40, your annual premium will be \$739.20. The total premium paid by age 85 will be \$33,264. If you decide to wait to buy the same policy until you are 60 years old, your annual premium will be \$2,374 and the total premium paid by age 85 will be \$59,350. That's a difference of more than \$26,000. (This example is for comparison purposes only.)

Personal service is crucial in choosing LTC policy options, and for adjusting them as necessary. Group LTC may indeed be a viable option for you, but as your Knights of Columbus agent, I can help you compare the details so you can make an informed decision.

Pro-Life News & Activities for November

The foundation of a house is only one of many parts of a house, but it is essential to build the other parts. That is why the U.S. bishops teach that the right to life is the foundation of all human rights, and our priority must be to fight abortion at all stages of pregnancy from conception to birth.

40 Days for Life is underway. This council and the parishioners from Divine Savior are praying at the abortion clinic located at 1750 Wright Street Sacramento on **Fridays from 10am-12 noon. Please attend the 8:30 am Mass, and after Mass Fr. Roman will give his blessing to those who will participate in the 40 Days effort.** You are asked to pray quietly or in a small group at the clinic, and not block the sidewalk open for public use. This effort is effective and does have an impact on those clients entering the clinic, the staff of the clinic, as well as those motorists driving on Wright Street and Alta-Arden Way. Some 330 babies have been saved nationwide in the last 5 weeks. Sign-up sheets will be available at our business meeting for our last day we are committed to in this last week of '40 Days'; or call Mike Schaefer for more information. Carpooling to/from the clinic is available. Also plan to attend the closing ceremony for 40 Days which will be on Sunday November 6th starting at 2:00pm at Our

Lady of the Assumption Parish hall.

Catholics-For-Life meets on the 2nd Thursday each month (November 10th) at the Marian Center of St Philomene's at Bell Street & El Camino starting with the Pro-Life Rosary at 6:00 pm. (Contact June @ juneschott@msn.com)

The Pro-Life Fundraiser Walk organized by Fr Patrick Lee will be held Saturday morning October 29th at Elk Grove Park. 31 priests have committed to walk that day and need people who aren't walking to sponsor them. The Bishop Gallegos Maternity Home will benefit from this fun event.

An all night Vigil for Life is held the 1st Friday-Saturday of each month at St Rose Catholic Church 5961 Franklin Blvd starting with Mass at 7:30pm.

(Contact June @ juneschott@msn.com)

The Sacramento Life Center Annual "Salute to Life" Fundraising Dinner will be held Saturday, November 12th at the Radisson Hotel 500 Leisure Lane. Registration is at 5:00pm and dinner begins at 6:30pm. (Call 916-451-4357 for more information.)

The Walk for Life, West Coast will be held on Saturday January 21st, 2012 in San Francisco. Buses from several churches will be taking walkers to the City's starting point. More information is available from David at 916-784-0765.

If you have any comments or questions concerning the above please contact Mike Schaefer at 916-988-3171, or: mikeret_99@yahoo.com.

Family of the Month

He's an energizer bunny and she makes sure he keeps moving. This couple have been big supporters of Divine Savior from the beginning as well as being K of C helpers, both at St John's and our council. When he accepted the position of Family Director, one of the first things he wanted to do was start a "Pot Luck Social", and have a get together for our families. Well Bob and Eleanor Peterson hosted the first one in Sept and

had a nice turn out. Bob said this will be the 1st of many and we will add programs to this social.

They helped with the Treasure fest as well as helping son Matt with e-waste fund raisers. They are a special couple and friends to many.

Join me in congratulating Bob & Eleanor Peterson as our Sept 2011 "Family of the Month".

Bob Peterson receives the Family of the Month Award

Knight of the Month

The Knight of the Month was not available to attend the October's Business Meeting and will be announced at the next Business Meeting and highlighted in November's Knightly News.

Lecturer's Message

I have down loaded the message below from the from the Knights of Columbus State website. The article points out how important membership and awards programs work hand in hand. Please read the following while keeping in mind that each member of our Council is an ambassador to the membership committee and the awards committee.

State Service Programs

"Each member of our Council is an ambassador to the membership committee and the awards committee."

*As we begin a new **Columbian Year**, let us resolve to increase our participation in the many Programs that our Order offers. These programs play a vital role in the retention of our members. Far too often we recruit members, but then we do not involve them in activities that keep them active and involved. Before long they become bored and inactive, and then soon leave the Order. The more active we are in our programs, the more vibrant our Councils become. We need to work with our newest members and making them feel welcome, and involved.*

These programs also make our presence better known in our parishes and our community at large. This also assists in recruitment of new members. When members of our church community witness our involvement with the youth of our parishes, and our other many other programs we are involved in, they are more likely to consider joining the Order.

It is also important to participate in the awards process near the end of the Columbian Year. We need to submit the forms for the programs that our Councils have participated in. It will assure that our members be recognized for their accomplishments at our annual State Convention. Many of our Councils participate in the various programs we offer, but then do not submit the paperwork that leads to the awards.

With the wide variety of programs that we offer, certainly there is one or more that any member of our Order would be interested in becoming involved in. Even if it is as an assistant to begin with! Let us double our efforts to increase involvement in these programs. Visit the State Council's Programs for detailed information.

Thank you for your cooperation and attention to these matters. For further information please contact Bill Windle at (916) 988-2239 or tzgood@yahoo.com

Yours in Christ,

(Bill) William J. Windle,
Lecturer, PGK

Why Make the Sign of the Cross?

"Never leave your house without making the sign of the cross. It will be to you a staff, a weapon, an impregnable fortress."

The sign of the cross is not simply a way to begin praying. It is itself a powerful prayer that is meant to pour out tremendous blessings on our lives.

Whenever we make the sign of the cross, we enter a sacred tradition that goes back to the early centuries of Christianity, when this ritual was understood to be a source of divine power and protection. In making this sign, we ask for God's presence and invite him to bless us, assist us, and guard us from all harm.

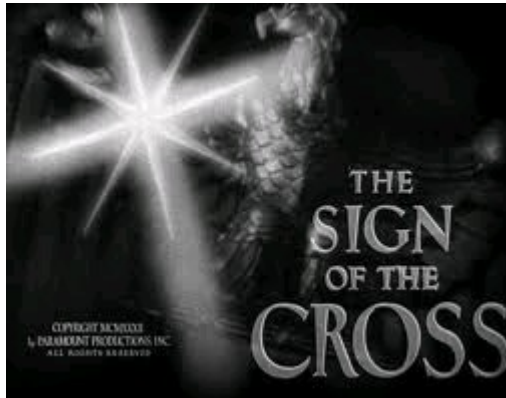

Early Christians saw the sign of the cross as demarcating God's faithful people, helping souls fight temptation, protecting them from all evil and even bringing terror to the devils. St. John Chrysostom (A.D. 347-407), for example, exhorted God's people to turn constantly to the power of Christ found in the sign of the cross:

Never leave your house without making the sign of the cross. It will be to you a staff, a weapon, an impregnable fortress. Neither man nor demon will dare to attack you, seeing you covered with such powerful armor. Let this sign teach you that you are a soldier, ready to combat against the demons, and ready to fight for the crown of justice. Are you ignorant of what the cross has done? It has vanquished death, destroyed sin, emptied hell, dethroned Satan, and restored the universe. Would you then doubt its power?

When we sign ourselves with the cross, we are asking God's protection for our lives. In the sign of the cross, we ask Him to guard us from

all harm and evil. Many Christians throughout the centuries have turned to the sign of the cross for strength to fight against temptation. Many parents trace the sign of the cross on their children's foreheads, asking the Lord to bless and protect them.

While signing ourselves, we call on God's name, saying, "In the name of the Father and of the Son and of the Holy Spirit." In Scripture, to call on the name of the Lord denotes worship and is often associated with prayer and sacrifice. In Scripture, a name is not just a way of referring to a particular person. A name mysteriously represents the essence of a person and carries the power of that person. To call upon God's name is to invoke His presence and His power. We recognize that "Our help is in the name of the Lord, who made heaven and earth" (Ps 124:8).

We should never make the sign of the cross in a hurried, sloppy way. When we cross ourselves, let it be with a real sign of the cross. Instead of a small cramped gesture that gives no notion of its meaning, let us make a large, unhurried sign, from

forehead to breast, from shoulder to shoulder, consciously feeling how it includes the whole of us, our thoughts, our attitudes, our body and soul, every part of us at once, how it consecrates and sanctifies us ... Make a large cross, taking time thinking what you do .. Let it take in your whole being-body, soul, mind, will, thoughts, feelings, your doing and not-doing-and by signing it with the cross strengthen and consecrate the whole in the strength of Christ, in the name of the triune God.

Reflections from the Chaplain

Dear Brother Knights and Ladies:

As we begin the month of November, our thoughts tend to turn to being thankful. For some of us, finding a reason to express gratitude might be a rather far-fetched notion. Those who have lost jobs or are not earning a living wage, those who have lost money they had counted on for retirement, those whose homes are near the brink of foreclosure are only a sampling of what is going on these days that make us sick to our stomachs and wondering where we go from here.

"As faithful followers of Jesus, we realize that we must find some reason to be grateful"

Fr. Roman Mueller

As faithful followers of Jesus, we realize that we all must find some reason to be grateful, or we are truly lost in a bottomless sink hole. For some, this may even sound cruel. However, finding the least little thing to be grateful for is the foundation on which our faith-life depends. Even when all seems to be down the tubes, we believe that God loves us just as we are. We are grateful for being alive so that we can grow in the goodness and kindness of God our Savior.

As we read in several places in the Bible, God has every interest in our well-being and is incapable of pondering our undoing. Some say that God never gives us more than we can handle. But we need to be careful about the image of God that hides behind this oft-expressed statement. How can a God of love possibly give us misfortune? Thinking that God would test us in any way is not the image of God that Jesus revealed.

On the other hand, life, other people and perhaps we ourselves can easily give us and others far more than we think we can handle. When we take this view, God is free to assure us that His love is constant. The more we can persuade others to embrace this image of God, the deeper is our hope that the many troubles that afflict people and push them to the brink of despair can be dealt with, can be undone, can lead to

people working together to insure that all people around the world are provided with the minimum every human being needs in order to empower us to ditch false images of God.

In holding to the God of love, we are automatically called to imitate God's love. What trouble, disaster, set-back or problem is not caused by people not imitating God's love? We Catholics have a powerful, life-giving peace-bringing message to share with others: that God is love, a love which empowers us to love God in return and to love others as we love ourselves.

In line with this, another saying, "we all worship the same God", needs to be held up to the light. People who think God tests us do not worship the same God we do. People who are convinced that they are entitled to outrageous displays of greed do not worship the same God we do. People who see no reason to be concerned about those who are suffering in any way do not worship the same God we do. Let us find every way possible to share with others our conviction that we worship the God who only loves.

Fr. Roman Mueller, S.D.S.

Prayer for the Sick

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds and cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed.

Amen
