Message from our Grand Knight Greetings Brother Knights,

I would like to take this opportunity to express my appreciation to all of you for electing me Grand Knight of the Father Neil W. Seidl Council for the 2012/13 Columbian Year. Thank you for your confidence. I also want to congratulate all the newly elected and appointed officers. Thank you for your commitment to service to our Council, parish, and community. Finally, I would like to recognize PGK Tony Aiello, DGK Ray Coughlin and their fellow officers and directors for the many notable achievements of our Council over the past 12 months. I am truly fortunate to be assuming leadership of such an outstanding Council.

As many of you know, this will be my second turn as your Grand Knight. And similar to my first time, I am extremely excited about the year ahead and the opportunities for continued growth as a Council. While, as a Council, we will continue to schedule a number of our regular events, we have also added a few new events to the Council's calendar. I am hopeful our entire membership will eagerly embrace all of these events; and, participation levels will increase correspondingly. A number of other changes are being planned including revisions to the agendas for both our Business Meeting and Officers'/Planning meetings. These changes, which will be effective with the

July meetings, are intended to better facilitate the flow of information and create a more meaningful experience for all. Finally, I am proposing an updating of our Council's By-Laws which were enacted over eight years ago when the Council was first established. Over the years, it has become clear much of the language in the current By-Laws is outdated, superfluous, or irrelevant. The updated By-Laws should provide clearer direction and promote greater flexibility in ongoing operations and procedures. Attached to this newsletter, for your review, is a strikeout version of the proposed updated By-Laws.

More to come; but, for now I would like to close with a few parting thoughts. Sustainability and longevity will be two key priorities for me as Grand Knight. From my perspective, it is essential to the long-term health and viability of our Council that more members get involved and participate. To address these needs, I intend to place a great deal of attention on sponsorship, mentoring, and training. I also encourage all of us to take a moment to reflect on the first three founding principles of our order namely Charity, Unity, and Fraternity. These perpetual values should be foremost in our minds when

dealing with each other as well as those outside the order. Otherwise, we risk undermining the bonds linking us, as brother knights, in service to one

another, the church, and community.

Again my most sincere thanks and appreciation to all of you for your continuing loyalty and commitment to

the Father Neil W. Seidl Council, the Knights of Columbus, and Divine Savior Parish.

Joe Luchi, Grand Knight

Changes for Council/Fellowship Meetings Effective July 10, 2012

As we begin the new Columbian Year, I want to take this opportunity to notify you of some important changes planned for our Council's Business meetings. Building on the model developed by PGK Tony Aiello, the format for our Business meetings will be further modified. These upcoming changes are intended to strike a careful balance between the Council's business-related matters and a greater sense of fellowship and fraternity among the members. Accordingly, the agenda order will be modified with all reporting done in consecutive order during the first part of

the meeting, routine voting consolidated under a Consent Calendar, and sufficient time allotted on the agenda for the Council's Lecturer to present an inspirational and motivational message. To facilitate the meeting presentations, we will use power point technology. To accommodate the use of a projector, the meeting setup also will be modified to permit better viewing by all in attendance. Shown below is the new agenda order for our Business meetings (which henceforth will be referred to as "Council/Fellowship" Meetings). On the next page is a diagram showing the new room set up. Please note

sign-ins and distribution of meeting materials will be located in the Hospitality Room. Plan to enter through the door of the Hospitality Room immediately adjacent to the front parking lot. With these changes, I anticipate the meeting pace will increase with the flow of information more understandable and meaningful.

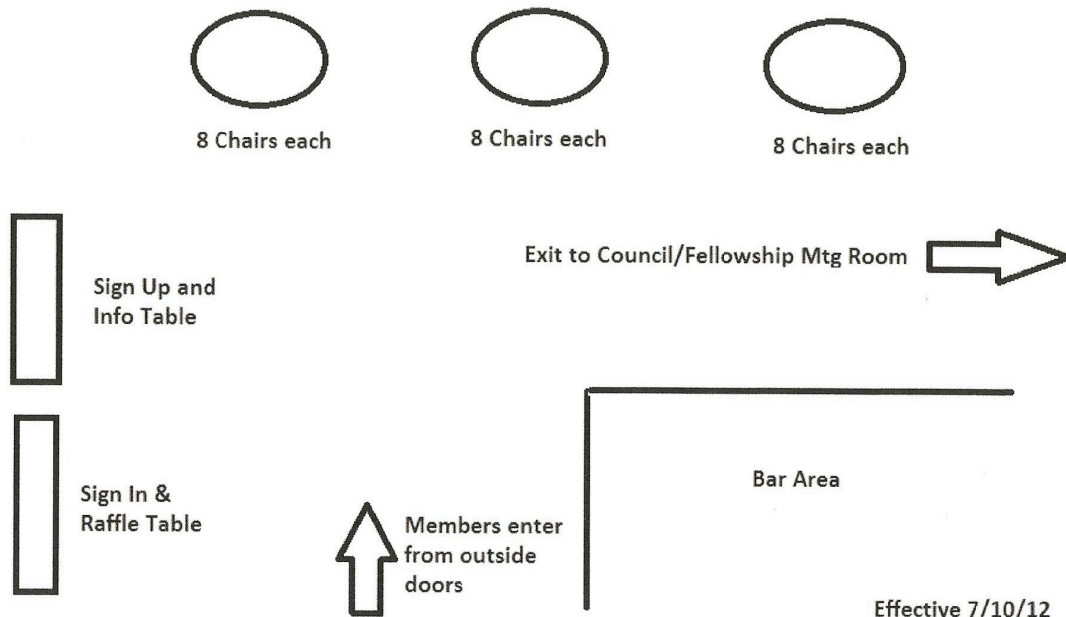

These changes will be effective with the July 10, 2012, Council/Fellowship Meeting. Please contact Grand Knight Joe Luchi if you have any questions or comments.

“Your Shield For Life”

**A NEW
FRATERNAL YEAR
2012-2013**

**The Best is Yet To
Come!!!**

A new fraternal year is upon us. Congratulations to the newly elected Grand Knight and Deputy Grand Knight, as well as the other entire dedicated brother Knights who will serve in either an elected and appointed leadership position in the new Columbian year. I'm sure you have a list of goals and objectives that you intend to accomplish during the coming year. You have my assurance that as your Field Agent I am eager to help.

To attain the Star Council status it is a yearlong commitment as well as the most prestigious award the Order offers at the council level. As your Field Agent I am certainly committed to help determine how many Fraternal Benefits Nights you will want to conduct in your council during the fraternal year, and to work hand in hand with your membership committee. I am committed to helping on the insurance side and will be equally happy to help on the membership drives.

If you know an eligible Catholic man who might be interested in joining the Order, you may want to talk to him sooner than later. I can help you, either by approaching him or by “coaching” you – transferring sales skills that you can use to recruit him and other prospects. As always, I am at your service.

Let's get an early start to attain your council's goals and objectives that are so critical to the growth of your council.

Remember it takes both Insurance and Membership, we must support both for a win win.

As our Supreme Knight, Carl A. Anderson once said in the (June 2004 Knightline), “Indeed, the best is yet to come, because we Knights will see to it.”

To make this fiscal 2012–2013 year “Your Shield for Life”. “The knight's shield has long been a symbol of strength and honor,” Supreme Knight Carl A. Anderson “And those are exactly the words that best describe the Knights of Columbus insurance program. Especially in difficult economic times, our exceptional strength and our long history of integrity and service to brother Knights and their families, remind everyone that we provide the very best protection available.” “Your Shield for Life”.

Pro-Life News & Activities for July 2012

In the beginning of a document from the first century called, TEACHING OF THE TWELVE APOSTLES, it says, "There are two ways, one of life and the other of death, and great is the difference between the two." It further states, "Do not murder a child by abortion or kill a newborn infant." Throughout the centuries this teaching has been consistent in the Catholic Church. The Pro-Life Movement is not a recent development, but has existed for all time.

The following are Pro-Life opportunities for Knights and their families to participate in:

Monthly Activities:

Catholics-For-Life meet on the 2nd Thursday each month (July 12th) at the Marian Center of St Philomene's at Bell Street & El Camino starting with the Pro-Life Rosary at 5:30 pm. (Contact June @ juneschott@msn.com)

An all night Vigil for Life is held the 1st Friday-Saturday of each month at St Rose Catholic Church, 5961 Franklin Blvd, Sacramento, starting with Mass at 7:30 pm. In July it will be held on the 6th-7th while in August it will be on the 3rd-4th. (Contact June at juneschott@msn.com)

Monthly Pro-Life Mass is held every 2nd Tuesday each month (July 10th) of each month at St Philomene's

Catholic Church at 2428 Bell Street. (Contact Sally Fisher @ 721-0378)

Future Activities:

The 20th Anniversary Dinner, celebrating opening the Bishop Gallegos Maternity Home will be held at the Dante Club on September 16th, 2012. Raffle prizes and baskets are needed. As this is the main fund drive for the Home, please keep this pro-life date noted on your calendar. All proceeds will go to the operation of BGMH. (Call Kathy Baxter at 985-7524)

The fall 40 Days for Life will take place in October-November. More info will be available in next month's newsletter.

Anytime Activities:

Please remember to pray for the end of abortion daily. At Mass, during the INTERCESSIONS, pray for our lawmakers to 'have a greater respect for life and end abortions'.

Visits to pray the rosary at the abortion clinics in the Sacramento area can be done any business day of the week. Remember to be respectful to the clients and the employees of the clinic.

If you have any comments or questions concerning the above please contact Brother Knight, Mike Schaefer, at 916-988-3171, or: mikeret_99@yahoo.com.

Reflections from the Chaplain

Dear Knights and your families:

As one Columbian year has come to a close and another has begun, I want to express my deep appreciation for all that the Knights have done and continue to do on behalf of Divine Savior Parish as well as the broader community. It is such a pleasure to have a council as dedicated as ours and one that is so committed to making the faith community of Divine Savior as vibrant as can be.

Sometimes we men find it easier to focus on “doing” things, on being able to see the fruits of our labors. Perhaps we might consider the personal, councilor and other relational effects of the various and wonderful activities that we are engaged with. I remember that about fifteen years ago I had a very painful time in my life because so much of my motivation was based on what I could accomplish for the parish I was pastor of at that time. When it was time to leave that parish, I felt like a hollow, empty shell. In short, I had pretty well failed to provide for myself sufficient (hardly any in this case) time and space to reflect on what God was accomplishing through me. I made the endeavor too much about “me” and not nearly enough about the goodness of God for me and for all. To come to terms with how, in the future, I needed to let the love of God be continually renewed within me was anything but easy. Despite preaching about God’s love on a constant basis, to a great extent I did not integrate that belief in myself.

I am not making any judgments about any of you; as is evident, I have enough challenges with my own spiritual life. On the other hand, given what is going on or not going on in our world and even in our Church, it is highly important to assess how we might focus more on how, through our activities, we are integrating the love of God in our lives and relationships. It seems that our country and even our church have lost their way to one degree or another. Our political world is marked more by partisanship than by the commitment to find common ground and work for the good of everyone, especially those dependent on the government for a sense of security in a variety of ways.

Our Church, too, seems to be having its difficulties to embody the Spirit and example of Jesus. We seem quite divided as well. Some bishops have sued the government over the HHS Mandate, and others think that type of action is a losing cause, even to the point that if “one lives by the sword, one might die by the sword.” We demand religious liberty in a way that may come across as our demanding that our church teaching must become the law of the land. We demand religious liberty as if we don’t have any at all. Some Catholic institutions have been offering insurance coverage for contraceptives for years. Given the vast majority of Catholics who view the use of contraceptives as they do, do we not run the risk of looking pretty foolish? We speak of religious liberty but stand back as 57,000 professed religious women are

put under a dark cloud because of the questionable behavior of a few. We seem to be operating by edict instead of by dialogue. Some of our church leadership insists on unquestioned obedience rather than the sharing of wisdom all of us have been blessed with through our Baptism and Confirmation in the spirit of Vatican II. Some church officials have even said that it might be good to have a smaller church of more ardent believers rather than a larger community with greater diversity.

I write this not in criticism of anyone, let alone the leadership of our Church. As pastor, it is my responsibility to highlight as well as I can the situation as it seems to be. My main point is that the challenges addressed here can be resolved the more we focus on the goodness of God; the more we base our lives on that grace; the more we choose, despite whatever else may be going on, to focus on who we are as God’s beloved; the more we let God renew that identity so that we find ways to help our Church and our country get back on the right track; the more we choose to stand on the firm ground of living out the conviction that imbedded within each of us is a deep sense that we are all created in the image of an all-loving God; the more we allow God’s love to overcome any and all fear that otherwise creates the kind of mess we seem to be in. May God bless our lives with the grace to achieve the high ground and call one another to walk it!

Fr. Roman Mueller, S.D.S.

State Secretary's Message by State Deputy Elect, Dr. Ray Warriner, PhD

My Brother Knights,

Thank you for the honor to serve as your State Deputy next year. I will never forget that the position of State Deputy is not an entitlement but a solemn obligation to service the Order and the Brothers here in California.

Many people have asked if I am ready for next year. My first response was no. There are hundreds of things to complete and things I could have done better. Between a recent exemplification and Mass, I went to my room to prepare for my speech. As I reflected on everything in the silence of my room; I remembered a gift I received at the retreat in March. Br. Joe Trechter gave me a small coin inscribed with the words "Lord, help me remember nothing is going to happen today that You and I can't handle together". Suddenly, I felt a sense of peace and calm. I realize I am not alone, with God and you, my brothers, we are ready. Let us, together "Go, and make a difference"

At this time, I would like to provide you with a view of the future. First, I would like to thank you for electing an outstanding group of officers to lead California for the next year and into the future.

The Supreme Council defines the role of the State Deputy as chairing the board of

Officers which runs the affairs of the jurisdiction. Each of your officers, directors, District Deputies and committeemen has unique skills and talents that California needs. My role is to motivate each one of those people to work together as a single unit for the "good of the Order". We, the State Officers, must have a single focus – that of helping each and every Knight to fulfill the dream of the venerable Father McGivney. My vision of that dream is to personally make a difference in people's lives.

To that end, we have initiated a program to recognize Knights that have "Made a Difference" in the lives of someone else. The specific details of application process are still in work and will be presented to the District Deputies at their orientation meeting this month. Information will also be available on the State Web site as it becomes available. The recognized Knights will be presented with a small token of my appreciation in the form of personal letter and a commemorative coin.

We will continue to focus on developing a multiyear plan for California. This effort began under the leadership of our current State Deputy and must continue. I also realize that every good idea does not come for the State Deputy or even the State Officers.

I pledge to be open to ideas, no matter where they come from. I recognize and appreciate the talent available in California. We have among us, present and former Supreme Officers & Directors; Past State Deputies and former Directors; thousands of Former Committeemen and District Deputies; thousands of Current and Past Council and Assembly Officers along with some of the most talented people in the world.

My predecessors have built a strong foundation, now "we" need to build the future. Let us, together "Go, and make a difference"

Raymond Warriner

State Deputy Elect

Columbian Senior Advisory Service

News& Notes June 2012

Columbian Senior Advisory Service family consultants, Carol Kinsel and Ginger McMurchie, together with several CRH board members, staffed an informational table at the 110th Annual Knights of Columbus Convention in Santa Clara, May 17—19. The event kicked off with a dinner under the “big top”, where the consultants handed out information about our free services along with a special crispy pop dessert. On a large screen, program information was displayed for the audience about the support and

counseling services for seniors and families caring for elderly loved ones.

Over 500 Knight members visited our resource table during the convention to gather information on faith-based retirement communities, educational symposiums, financial aid and caregiver support. A special thanks to Samaritan Village in Hughson and Villa Scalabrini in Sun Valley for their wonderful contribution to our slide presentation, which we were able to showcase on our table. Both retirement communities provide a beautiful setting and many benefits for their senior residents.

During the convention, members caring for loved ones with chronic illnesses, dementia and other needs had a one-on-one opportunity to meet with the staff and discuss their cares and concerns. Additionally, the CSAS program sponsored 2 free gift baskets which were raffled off during the 3-day event, one for the general membership and one for the ladies luncheon. Congratulations to the winners!

“Overall, I believe our presence at the

convention was not only most visible, but highly productive,” said Frank Pulice, board president of the Columbian Retirement Home, Inc., sponsor of the CSAS program. “We appreciate being able to present this valuable, free service to our KofC members and their families. I heard that we are the best-kept secret in town!” brother Pulice went on say.

May Knight of the Month–Dennis Harrington

This Knight was our newsletter editor for several years until he was appointed Membership director. Working together with Deputy Grand Knight Ray Coughlin, he has put an active team together steering our membership drives in a positive direction.

He co-chaired the ad hoc committee with Past Grand

Knight Joe Luchi that has made changes that will take our council in a growing direction. This Knight has worked hard in preparing our presentations that will be made on the projector for all to see and understand the meetings better.

Join me in congratulating the Knight of the month of May, Dennis Harrington.

May Family of the Month–Ray & Joann Coughlin

Michael Wagner and Ray Coughlin represented our council at this year's State convention in Santa Clara, joining them was Ray's wife Joann. The highlight of these conventions is the awarding of the recognition plaques and certificates to hard working, top producing councils.

Compiling, writing and organizing the information for our seven committees is always a difficult job and Ray did it with the help of PGK Bruce Pyle. Ray was rewarded for this by being named Knight of the Month for April.

But then came the convention and the awards began and we won four plaques and 3 certificates for the council. Joann helped Ray type and organize the write-ups while awaiting a heart pace maker to be installed. Finally a few days before they left for Santa Clara it was installed and Joann accompanied Ray on the trip.

With all that they were going through health wise and worry, they helped make our council stand out from the more than 540 councils in the state. I was proud to name the Coughlin's, the "Family of the Month for May".

American Wheelchair Mission

At the California State Council convention in May, our council was recognized for our contribution to the American Wheelchair Mission for Columbian year 2011/2012. Our donation of \$7659 from our fundraisers and individual donations from

fellow Knights placed us first in amount donated for Councils not holding a parish Sunday campaign. Our donation gave 51 needy people mobility.

For 2012/2013, we would like to raise \$4000 by May 2013.

The council has budgeted \$500 from our fundraisers and we have individual donations of over \$100 already. Please consider making an individual cash donation sometime in the next 11 months and help us make this goal.

Knighly Interview–Paul Amann

How long have you been a catholic and a member of the Knights of Columbus?

I attended the RCIA class of 1995 with Father Bob and was confirmed on Easter 1996. I joined KOC in March of this year.

Why did you become a knight?

I have been praying for a place to serve the Lord at Divine Savior ever since ending a three year term on the Pastoral Council several years ago. Brother Doug Copley helped me realize that The Knights of Columbus was an fine service organization that was worth considering. I attended an orientation with my wife Diane, and was very impressed with the number of activities and the good work that they did. The respect for each other and the sincere desire to serve the Lord was obvious and my prayers were answered.

What do you like best about the Knights of Columbus?

The mutual respect and dedicated service is quite impressive.

What are some of the activities or programs you have been involved with as a knight?

The recent golf tournament and recently appointed Lecturer for the ensuing Columbian year.

What are some areas you would like to see our council get involved in that were not already doing?

Promote religious education or re-education of the foundation of our Catholic Beliefs.

How do you think we can reach out to more catholic men and bring them into the Knights of Columbus?

Continue promoting and assisting in activities within Divine Savior Parish and being as visible as possible.

Describe what you do for a living or what you did for a living before you retired.

I have been in sales and sales management ever since leaving the USAF where I was a B-52 Navigator. I have been a Real Estate Broker for the past 27 years and own Paul Amann Realty.

What other areas besides Sacramento have you lived?

I was born and raised in Buffalo, NY and went to college in Illinois. In the service I lived in Texas, Sacramento, Dayton, Ohio and again Sacramento after marrying a 3rd generation Sacramento girl 47 years ago.

What do you for fun in your spare time?

I have run 9 marathons, 20+ half marathons, and many 5 and 10K races. I still run 20+ miles per week. Family is very important to my wife and I and we enjoy all the activities of our 4 grandchildren. I also love to take care of our home and do most of the work myself.

Do you have any favorite sport teams?

Of course the 49rs and the Buffalo Bills

Is there something interesting about you that very few people know that you would be willing to share?

I am known as Mr. PMA (positive mental attitude) and love to talk and share ideas on how "Attitude is Everything". I also enjoy writing poetry and authored a book or training manual entitled Strategic Selling. One on my companies in the past produced seminars on communication and selling.

A Message from our Financial Secretary Tom Jones

Greetings Brother Knights. I recently had several questions that prompted me to consider writing a series of short training notes in our newsletters. These notes are aimed at helping new and established Knights understand the function and capabilities of our Financial Secretary (FS) and our Council's financial mechanisms.

First and foremost the FS is our Council's version of a Certified Public Accountant (CPA), in addition to many other job functions. The FS keeps the books including the financial accounting for all deposits and expenses. The FS does not keep the money, that is the Treasurer's function in conjunction with our separate bank accounts for Charity, Business, etc. Our books are audited semi-

annually by the Council's Trustees.

One of the critical job functions of the FS is to summarize all Council bills & expenses prior to each business meeting. Expenses are approved for payment at the monthly business

meeting. While the Council's Trustees review all bills and expenses prior to formal approval, all Knights have the right to review the bills and expenses. Furthermore,

copies of the bills and expenses are made available at each business meeting. Once payment approval is confirmed the Treasurer writes the check and the FS tracks all payments. This two-person financial integrity offers double fiduciary protection for the Council and our assets.

So, if you have purchased an item to help with any Council event please keep the receipt and forward a copy to me (and the event's treasurer) as soon as possible (but no later than the 20th of each month), I will ensure that you are reimbursed accordingly.

Coming next month: How do I get Council supplies from Supreme? If you have FS questions that you would like to see addressed in future newsletters please email me at: FS13672@gmail.com

A Message from Lecturer–Paul Amann

“Attitude is Everything”

The longer I live the more I realize the impact of **ATTITUDE** on life. Attitude is more important than fact. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, or skill. It will make or break a company...a school...a **home**. The remarkable thing is we have a choice every day regarding the attitude we will embrace for the day. We cannot change our past....we cannot change the fact that people will act in a certain way. We cannot change the

inevitable. The only thing we can do is play on the one thing we have, and that isOur **ATTITUDE**. In this coming Columbian year, we will be discussing different aspects of attitude and communications all designed to make us all better Knights and Brothers. The material is informative uplifting and maybe even a little fun. **DON'T MISS THIS!!** Mark your calendar and come to our meetings, you won't be disappointed.

God Bless you all and I look forward to getting to know each of you better.

Prayer for the Sick

Father of goodness and love, hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds and cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed.

Amen

Please keep the following recently deceased in your prayers.

Debbie McDermott,
wife of Charlie
Peter Burriesce
Joe Paddock
Pressley King

Prayer for the Deceased

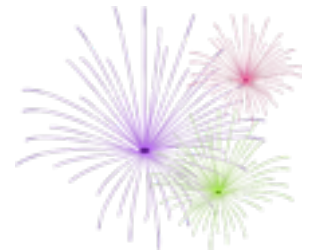

God our Father, Your power brings us to birth, Your providence guides our lives, and by Your command we return to dust.

Lord, those who die still live in Your presence, their lives change but do not end. I pray in hope for my family, relatives and friends, and for all the dead known to You alone.

In company with Christ, Who died and now lives, may they rejoice in Your kingdom, where all our tears are wiped away. Unite us together again in one family, to sing Your praise forever and ever. **Amen.**
